Your Hospice Software Solution

*Providing quality software
solutions, allowing care providers
to focus on what matters most.*

Visit us on the web.
www.ConsoloServices.com

Overview

- ✓ Our software solutions are delivered to you via the web. No servers to purchase, no client installation fees or per user/seat fees!
- ✓ Use wireless LAN and wireless cellular access for full functionality of our products. Access our system from work, home and at the patient's facility or home.
- ✓ **Role Based Security** provides HIPAA compliant user access and allows individual Hospice program to tailor the software to their specific needs. Drop down menus are dynamically created dependant upon the role of the user.
- ✓ **View/Print/Export Customizable Reports** easily with custom filtering and sorting.
- ✓ **E-Fax** face sheets, medications, certifications, physicians orders and clinical charting to physicians, facilities and pharmacies with the click of a mouse.
- ✓ Information stored in a relational database, eliminating redundant data entry.
- ✓ **Customizable Care Plans** for patient-specific care identification.
- ✓ **Electronic Billing** and claims management system.
- ✓ Consolo products will enable you to do your job more efficiently and provide more time for **quality patient care**.

Patient Management

- ✓ **Meets all Quality Assessment and Performance Improvement (QAPI) Requirements and Medicare Conditions of Participation (CoPs).**
- ✓ **IDG Meeting Reporting** which reduces staff preparation time/effort.
- ✓ Extensive **Dashboard Reminder** Systems for alerts and staff communications.
- ✓ All columns within Reports may be sorted both ascending and descending.
- ✓ Referrals tracked and may be admitted, postponed or canceled.
- ✓ Payer tracking for Medicare, Medicaid, and Private Insurance and expiring Payer reminder alerts.
- ✓ Hospice Staff Assignments.
- ✓ Pharmacy Selections, DME Provider Selection, Attending Physician Selection.
- ✓ Medications may be faxed directly to a pharmacy by RN from the patients home.
- ✓ Volunteer Time Tracking.

Clinical Charting

Clinical Charting includes: Comprehensive Team Assessments, Nursing Notes, Medication Record/MAR, Certifications, Clinical Indicators, Hospice Plan of Care, Physician Orders, Staff Assignments, Bereavement Care, Social Worker Care, Home Health Aide Care, Volunteer Care, Physician Notes, Contact/Family Members, and Spiritual Care.

Other Features

- ✓ **No implementation or startup fees.** Data may be imported to simplify the implementation process.
- ✓ Data accessed via your secure website using a web browser (Chrome, Firefox or Safari) and a secure login.
- ✓ System updates are done completely by Consolo to your secure Web Site.
- ✓ Supports Multi-Company/Multi-Office mode.
- ✓ Scalable to 100's of users and multiple divisions and or/companies.
- ✓ Off-Line Charting available.
- ✓ Interfacing available for:
 - ✓ QAPI Data
 - ✓ Hospice Pharmacia
 - ✓ GL / Payroll Data
